Skills

Languages

I've been interested in web development for years, so now I am looking for an opportunity to use my newfound passion, fostered through the full-stack bootcamp that I'll be completing in August. I want to work somewhere that will challenge me and help me grow as a Web Developer. I am more adapt in front-end development but can still perform back-end tasks.

Education

2019-June	Full-Stack Web Development Bootcamp
2019-Aug	<i>Next Academy - Kuala Lumpur, Malaysia</i>
2005-Sep	Bachelor of Science: Park, Recreation and Tourism Resource Studies
2010-Aug	<i>Michigan State University - East Lansing, Michigan</i>
